2. Connect

We will introduce you to your partner via email. You will have the option to conduct your exchange either completely virtually or in a hybrid format (both virtually and in-person) through means agreed upon by you and your partner, such as Zoom or Skype. Additionally, we will do our best to pair you with a virtual partner in a similar time zone, but we cannot guarantee it.

3. Meet & Chat

Meet virtually or in-person once a week and spend up to one hour speaking in your native language and up to another hour speaking in the language you’re learning.
